

# Gotta Find You

Joe Jonas

Every time I think I'm closer to the heart  
Of what it means to know just who I am.  
I think I've finally found a better place to start  
But no one ever seems to understand. I need to try to get to where you are  
Could it be that you're not that far You're the voice I hear inside my head  
The reason that I'm singin'  
I need to find you  
I gotta find you You're the missing piece I need  
The song inside of me  
I need to find you  
I gotta find you  
Oh yea  
yea yea You're the remedy I'm searching now to find  
To fix the puzzle that I see inside  
Painting all my dreams the color of your smile  
When I find you it will be alright I need to try to get to where you are  
Could it be you're not that far You're the voice I hear inside my head  
The reason that I'm singin'  
I need to find you  
I gotta find you You're the missin' piece I need  
The song inside of me  
I need to find you  
I gotta find you  
Been feelin' lost can't find the words to say  
Spendin' all my time stuck in yesterday  
Where you are is where I wanna be  
Oh next tou, you next to me. Oh  
I need to find you  
Yea You're the voice I hear inside my head  
The reason that I'm singin'  
I need to find you (need to find you)  
I gotta find (yea) You're the missin' piece I need  
The song inside of me  
I need to find you  
I gotta find you (I gotta find you) You're the voice I hear inside my head  
The reason that I'm singin'  
I need to find you (I need to find you)  
I gotta find you (i gotta find you) You're the missin' piece I need  
The song inside of me  
I need to find you  
I gotta find you yea yea  
I gotta find you
