

I Wonder

Fetty Wap

Sometimes I wonder, how I keep on goin' on
I love the weed, blow that odor
You smell the loud, that's my cologne, yeah baby
Sometimes I wonder, where these niggas goin' wrong
I'm a young ass nigga, but I could buy your bitch a home, yeah baby
I ball hard like a nigga hoopin' baby
Hear that engine that's a fuckin' coupe baby, aye
When I shoot all you hear is swoosh baby
Zoo Gang, Zoovie, I'm the truth baby wow
Sometimes I wonder, how I keep on goin' on
I love the weed, blow that odor
You smell the loud, that's my cologne, yeah baby
Sometimes I wonder, where these niggas goin' wrong
I'm a young ass nigga, but I could buy your bitch a home, yeah baby
Juugin' and I'm finessin' yeaah
Hundred bands all in my dresser, yeaah
Try to take it it, I'll teach you a lesson, yeaah
Zoo Gang, God bless me, yeaah
17 that's my religion, yeaah
Zoovie Jordan, Peeps is Pippen, yeaah
Teach him somethin', nigga missin', yeaah
I be doing it like I'm gifted, yeaah baby
Sometimes I wonder, how I keep on goin' on
I love the weed, blow that odor You smell the loud, that's my cologne, yeah baby
Sometimes I wonder, where these niggas goin' wrong
I'm a young ass nigga, but I could buy your bitch a home, yeah baby
