

# The Wild and the Young

## Quiet Riot

Times are changing  
Nothing stays the same  
For this jukebox generation Adhere to fashion  
Like computer games  
Modern day communication The news hard to take  
Will fade tomorrow  
They are the strong  
They'll survive  
The wild and the young  
They all have their dreams  
The wild and the young  
They've got to be free  
The sun never sets  
For souls on the run  
The wild and the young Yeah  
Hah! Roaring passion  
With no guilt or shame  
It's accepting education, yeah! Misbehaving  
No regrets, no blame  
With a bold kind of sophistication  
So close to the edge  
And high on the wire  
They are not wrong  
They're alive The wild and the young  
They all have their dreams  
The wild and the young  
They've got to be free  
The sun never sets  
For souls on the run  
The wild and the young Ha! So close to the edge  
And high on the wire  
They are not wrong  
They're alive Look out! Wild, wild  
The wild and the  
Young, y-y-y-young The wild and the young  
They all have their dreams  
The wild and the young  
They've got to be free  
The sun never sets  
For souls on the run The wild and the young  
They all have their dreams  
The wild and the young

They've got to be free  
The sun never sets  
For souls on the run  
The wild and the young Oh yeah The wild and the young  
Oh Right
