

Am I Blue

Bette Midler

I'm just a woman, a lonely woman
waiting on the weary shore
I'm just a woman, who's only human
one you should feel sorry for
Well I woke up this morning along about dawn
Without a warning I found that he was gone
Why did he do it?
How could he do it?
He never done it before
Am I blue?
Am I blue?
Aint these tears in these eyes telling you?
Oh, am I blue?
Well I bet you would be too
if each plan with your man done fell through
There was a time I was his only one
But now I'm the second lonely one
Was I gay?
till today?
but now that man is gone
he's gone, and we are through
Am I blue?
There was a time I was his only one
But now, right now now now I'm the second lonely one
Oh god I'm lonely
but I remember
oh I remember when I was gay
that was up until today
but now that man is gone
he's gone
and we are through
Oh am I, am I..
Well, would you believe it if I told you...
I'm blue
