

# Capital M-E

## Taking Back Sunday

The nicest man I ever met  
Was more malicious than malcontent  
Yeah, he taught me how to hold my tongue  
And wait to strike 'til their backs were turned  
And you slither away like the snake that you are  
Yeah, you slither away like the snake that you are  
And all I ever did was look up to you  
And if all I ever did was let, let you down  
Ain't nothing stopping me now  
The vanities fell correctly beneath  
The receding part of his twenties  
Was capital M-E (I couldn't subscribe)  
Was capital M-E (but you can't say I didn't try)  
You say what you want (maybe I didn't get my way)  
So you say what you want (maybe I didn't get my way)  
But I got, I got away  
All I ever did was look up to you  
And if all I ever did was let, let you down  
Ain't nothing stopping me now  
Was it everything you hoped for?  
Was it all of that and more?  
Too much too soon?  
Or too good to be true?  
Was it everything you hoped for?  
Was it all of that and more?  
Well, all I ever did was look up to you  
And if all I ever did was let, let you down  
Ain't nothing stopping me now  
But all I ever did was look up to you  
And if all I ever did was let, let you down  
Ain't nothing stopping me now
