The dance floor is jumping

I'm checkin out your groove
bout' to make my move
across this crowded room
cuz I'm scoping you (baby)
I'm feeling confident
Just came from the bar
Sick of wondering
Who the hell you are
Cuz I'm wanting you
What a nigga gotta do?
Tell me do u wanna

Tell me do u wanna

Tell me do u wanna

Tell me do u wanna

Tell me do u wanna
go homeWanna have some fun?

Come ride with me, lets chill
I'll take to a place, where both of us
that both can feel
Cuz I'm feelin you
Just tell me what to do (baby)
Take me hand, lets go
Thats all I wanna do
Fellas wondering bout' whats up with you
Cuz my game was tight
Everything turned alright
That night Tell me do u wanna
