                           (come to me, sta-ay)
                          (you're my ob-session)
                          (for ever and a da-ay)
                       I want, want you to kno-o-ow
                           i love, i love you so
                       please hold, hold me so tight
                     all through, all through the night.
                          (speak softly, darling)
                            (hear what i sa-ay)
                           (i love you always)
                             (always, always)
                        I've waited, waited so long
                       for your kisses and your love
                         please come, come to me
                         >from up, from up above
                          (come softly, darling)
                          (come softly, darling)
