

# Cover Girl

## Brooke Valentine

Hey, oh oh oh  
Hey, oh hey  
Oh yeah, oh yeah[Verse 1]  
I wish I could be that girl in the magazine everybody sees  
She's so pretty  
I wish I could be  
When I close my eyes I see what you want me to be  
That girl[Hook]  
Wish I could be your Cover Girl  
Mascara and lipstick  
I would be so pretty  
A little blush, not too much  
But maybe you'll notice that I could be your Cover Girl  
Or accept me for me  
Cover Girl  
[Verse 2]  
Boy, when you're alone with me I'm takin' good care of you  
Givin' everything you need  
I don't know if it's good enough for you cause you're always in the TV When you're right here  
next to me  
I know I'm not Halle Berry, girls from videos, I just want to be someone you can hold  
I just want to be the one for you  
Baby, baby[Hook]  
Wish I could be your Cover Girl  
Mascara and lipstick  
I would be so pretty  
A little blush, not too much  
But maybe you'll notice That I could be your Cover Girl  
Or accept me for me  
Cover Girl  
[Bridge]  
Boy, I love you just the way you are  
And if you feel the same way bout me  
Beauty is only skin deep, baby  
Boy, I don't need accessories to magnify my beauty  
Could you just love what you see[Hook]  
Wish I could be your Cover Girl  
Mascara and lipstick  
I would be so pretty  
A little blush, not too much  
But maybe you'll notice that I could be your Cover Girl  
Or accept me for me
