

# Photographs (feat. will.i.am)

Rihanna

Here's a little story I've gotta tell  
'Bout this boy I know so well  
Back in the day was cool and all  
Fell in love, I fell in love Thought he was the one for me  
Other boys I could not see  
And look what happened to our love  
I'm like, how could it be? It should have been me and you  
It could have been you and me  
But boy, you broke my heart and now I'm standing here  
It should have been me and you  
It could have been you and me  
Now I look at all these photographs  
All I've got, all I've got  
All I've got are these photographs  
All I've got, all I've got  
Is nothing without you You, you  
Got nothing without you  
You, you  
Got nothing without you Now baby, it's killing me  
I'm saying it's killing me  
The fact that you went around  
Baby, I'm falling down  
I need me a remedy  
Been looking for remedies  
I need you to be around  
Baby, I'm hurting now  
I know you're a better man  
When I was your girl  
This land is a better land  
When you're in my world  
Today will be better, babe  
If it were like yesterday  
So happy and lovely, hey, hey, hey All I've got, all I've got  
All I've got are these photographs  
All I've got, all I've got  
Is nothing without you You, you  
Got nothing without you  
You, you  
Got nothing without you All I've got are these photographs  
I remember when I used to make you laugh  
I don't wanna be stuck in the past  
But you're all that I have that I had And I don't wanna lose what we built this far

This is me and you, you're my superstar  
I'd give anything, baby, here's my heart  
My heart, my heart My heart don't stop, my heart be beating over  
My loving never stop, even though that it's over  
Girl, I've been reminiscing when I play that Casanova  
Way back when we was kissing on your grand-mama's sofa Girl I got us lovey-dovey on my  
photo album  
I got them pictures back when I was rocking Calvin Klein  
You had your Guess jeans on, looking sexy  
Oh home girl, why could it not be the one? Why? Why? Why?  
(I am not the one)  
Why? Why? Why?  
(Why couldn't you be the one?)  
Why? Why? Why?  
(Why couldn't you be the one?)  
Why? Why? Why? All I've got, all I've got  
Is nothing without you  
All I've got, all I've got  
Is nothing without you You, you  
Is nothing without you  
You, you  
Is nothing without you All I've got, is nothing without  
All I've got, is nothing without  
All I've got, all I've got are these photographs
