World

Five for Fighting

Got a package full of Wishes

A Time machine, a Magic Wand

A Globe made out of GoldNo Instructions or Commandments

Laws of Gravity or

Indecisions to upholdPrinted on the box I see

A.C.M.E.'s Build-a-World-to-be

Take a chance - Grab a piece

Help me to believe itWhat kind of world do you want?

Think Anything

Let's start at the start

Build a masterpiece

Be careful what you wish for

History starts now...

Should there be people or peoples

Money, Funny pedestals for Fools who never pay

Raise your Army - Choose your Steeple

Don't be shy, the satellites can look the other wayLose the Earthquakes - Keep the Faults

Fill the oceans without the salt

Let every Man own his own Hand

Can you dig it baby? What kind of world do you want?

Think Anything

Let's start at the start

Build a masterpiece

Be careful what you wish for

History starts now...Sunlight's on the Bridge

Sunlight's on the Way

Tomorrow's Calling

There's more to this than LoveWhat Kind of world do you want?

What Kind of world do you want? What Kind of world do you want?

Think Anything

Let's start at the start

Build a masterpiece, yeahHistory Starts Now

Starts nowBe careful what you wish for

Start Now
