

Slow Fade

Casting Crowns

Be careful little eyes what you see
It's the second glance that ties your hands
As darkness pulls the strings
Be careful little feet where you go
For it's the little feet behind you
That are sure to follow It's a slow fade
When you give yourself away
It's a slow fade
When black and white have turned to gray Thoughts invade, choice is made,
A price will be paid
When you give yourself away
People never crumble in a day
It's a slow fade, it's a slow fade
Be careful little ears what you hear
When flattery leads to compromise,
The end is always near
Be careful little lips what you say
For empty words and promises
Lead broken hearts astray It's a slow fade
When you give yourself away
It's a slow fade
When black and white have turned to gray
Thoughts invade, choice is made,
A price will be paid
When you give yourself away
People never crumble in a day The journey from your mind to your hands
Is shorter than you're thinking
Be careful if you think you stand
You just might be sinking
It's a slow fade
When you give yourself away
It's a slow fade
When black and white have turned to gray
Thoughts invade, choice is made,
A price will be paid
When you give yourself away
People never crumble in a day
Daddies never crumble in a day
Families never crumble in a day Oh be careful little eyes what see
Oh be careful little eyes what you see
For the Father up above is looking down in love
Oh be careful little eyes what you see
