

# Girlfriend In the City

Nelly Furtado

I've been watching you like a hawk  
I know you're hiding something  
When we're together I can hardly breathe  
I feel like it's gonna spill out of me what I believe I would rather wait till it looks so bad  
That you can't no longer hide it from me  
I would rather wait for the chance to catch you red handed You've got a girlfriend in this city  
You got a girlfriend in this city  
Oh, is your girlfriend pretty  
Does she look like me Does she blow your mind all the time  
Or are you just passing time  
You've got a girlfriend in this city  
And it's not me  
I stay at home on the other side of town  
Waiting all out when you bring me flowers  
You are far away and what I don't know won't hurt me, but it do  
And worse, it's killing you, all the guilt inside, I can see it, it's true You've got a girlfriend in this  
city  
You got a girlfriend in this city  
Oh, is your girlfriend pretty  
Does she look like me And I'm dying to know what she's like  
Although I know it won't make this right  
You've got a girlfriend in this city  
And it's not me Does she wear her hair up or her hair down  
Is she quite or is she loud  
Does she dress up or she dress down  
Why are you keeping her around  
Who is she to you  
Who is she to you  
Who is she to you Who is she to you  
Who is she to you  
Who is she to you You've got a girlfriend in this city  
You've got a girlfriend in this city  
Oh, I hear your girlfriend's pretty  
I wanna see
