

Little Lovin'

Lissie

Appalachian farmer
Noted charmer
Forgot the field Mississippi moonchild
Drivin' him wild
Forgot to yield IO-way hey day
Day dreamin' someday
Be better off By Georgia pinin'. declinin'
To its death in a Florida swamp I gotta lotta lovin'
I gotta lotta lovin'
I gotta lotta love in my heart
I'm gonna get to heaven
I'm gonna get to heaven
I'm gonna get to heaven alright
Fightin' illini
Makin' me cry in a cornfield
Cross the nation patient
Pass the waiting with a warm meal Tenne saw what you see
Arkan I can't I be calm
Hollywood's old darlin'
Gonna move to N'arleans
Singin' psalms I gotta lotta lovin'
I gotta lotta lovin'
I gotta lotta love in my heart
I'm gonna get to heaven
I'm gonna count to seven
I'm gonna get to heaven alright Why you runnin'
Why you runnin'
Why you runnin' my life
Why you runnin'
Why you runnin'
Why you runnin' my life Why you runnin'
Why you runnin'
Why you runnin' my life Why you runnin'
Why you runnin'
Why you runnin' my life
