And every day she wake up early

Show up to yo party, girl, like a top butter  
Top dolla, rump my top locka

Top mugger, deal throtler  
Bow cutter, I ain't tryna school ya, just spittin' game  
Make my country proud every time they hear my name  
New York bad boy, trin it to the mall  
Ye don't fuck around with yo head in my tongue  
Say every good girl want a bad boy  
Only gon' be good to her  
And they say every bad boy want a good girl  
You only gon' be bad for him  
Come in and sweep me me  
Girl, ya hot! I know you want me baby  
It's not hard to please me, love me up  
You know I want you baby
