Love Lost

The Temper Trap

Our love was lost But now we've found it Our love was lost And hope was goneOur love was lost But now we've found it And if you flash your heart I won't deny itI promise I promise Your walls are up Too cold to touch it Your walls are up Too high to climbI know it's hard But I can still hear it beating So if you flash your heart I won't mistreat itI promise I promiseOur love was lost In the rubble are all the things That you've been dreaming of Keep me in mind When you're ready I am here To take you every time Oh our love was lost Lost, lost, lost, lost... Our love was lost But now its found
