

Ask the Lonely

Four Tops

Background: Just ask the lonely

When you feel that need
To make it all alone,
Remember no one is thinking of,
Going alone
Just ask the lonely...
They know the hurt and pain,
Of losing a love, you can never regain
Background: Just ask the lonely
Levi: Just ask the lonely
Levi: The young and foolish laugh at love
Four Tops: Woo-hoo
Levi: So they run away...
Four Tops: Woo-hoo hoo hoo
Levi: Confident and sure that fate
Four Tops: Woo-hoo
Levi: Will bring another love their way
Background: Aaah
Levi: But ask the lonely...
Background: Aaah
How vainly a heart can yearn,
Background: Aaah
Levi: For losing a love that will never return
Background: Just ask the lonely
Levi: Just ask the lonely...
They'll tell you
Background: Oooh, Woo-hoo hoo-hoo
Ooooooh

A story too hard to believe...
Background: Aaah
Levi: They'll tell you the loneliest one is me
Background: Just ask the lonely
Levi: Just ask the lonely
Levi: Ask me...
I'm the loneliest one you'll see
Background: Just ask the lonely
fade to end
