## **Friend of Mine**

## **Kelly Price**

She was a friend of mine, she left with my man
She lied, cheated, took all I had
She was a friend of mine, she used what she knew
She lied, cheated and left me confusedI feel so lost, don't know why this has happened to me
My closest friend, I never would have thought it could be
You were someone, someone I really thought I could trust

But my man you laid and I'm betrayedShe was a friend of mine, she left with my man

She lied, cheated, took all I had

She was a friend of mine, she used what she knew

She lied, cheated and left me confused

Thicker than blood, wherever there was me, there was you

My all was your all but that wasn't enough for you

You had to see and tried to walk a mile in my shoes

In my head, in my bed, betrayed by my best friendShe was a friend of mine, she left with my

man

She lied, cheated, took all I had

She was a friend of mine, she used what she knew

She lied, cheated and left me confusedWhy? Why? Why? Why?

Why? Why? Why? She was a friend of mine, she left with my man

She lied, cheated, took all I had

She was a friend of mine, she used what she knew

She lied, cheated and left me confusedShe was a friend of mine, she left with my man

She lied, cheated, took all I had

She was a friend of mine, she used what she knew

She lied, cheated and left me confused

She was a friend of mine, she left with my man

She lied, cheated, took all I had

She was a friend of mine, she used what she knew

She lied, cheated and left me confused
