

# Stage

## LIVE

I wanna feel  
I wanna try  
I wanna rock in the city tonight  
I wanna deal  
Don't wanna die  
I wanna bring my captain hook into the light  
People I've seen in my day  
Ranting and raving this beauty away  
We are by and large the same  
But words are too feeble, they cannot contain  
He was a rock and roll messiah  
She was known for her child care  
The truth is gonna give up the world  
If you can give up the stage  
The stage, the stage  
Come on  
I wanna feel  
I wanna try  
I wanna rock in the city tonight  
I wanna deal  
don't wanna die  
I wanna bring my captain hook into the light  
People I've seen in my day  
Ranting and raving this beauty away  
We are by and large the same  
But words are too feeble, they cannot contain  
He was a rock and roll messiah  
She was known for her child care  
The truth is gonna give up the world  
If you can give up the stage  
If I can give up the stage  
If we can give up the stage  
Come to this  
I can't wait to come to you  
Don't do this  
Wake me up tonight  
Come to this  
I can't come to you  
Don't do this  
Wake me up tonight  
Tonight, tonight, come on motherfucker  
He was a rock and roll messiah  
How could you stand to lay beside her  
Beside her  
Beside her  
Yeah, yeah, yeah, yeah  
Gimme the stage  
Gimme the stage

Beside her  
Beside her
