

# The Road to Ensenada

Lyle Lovett

As I lay sick and broken  
Viva Mexico  
My eyes just won't stay open  
And I dream a dream of home  
I dream a dream of home Where there's coffee on the table  
And kindness in your hands  
Honey I'll help you when I'm able  
But right now I'm feelin' bad...  
Right now I'm feelin' bad Listen to your heart that beats  
And follow it with both your feet  
And as you walk and as you breathe  
You ain't no friend to me...  
You ain't no friend to me  
The road to Ensenada  
Is plenty wide and fast  
If you head south from Tijuana  
I'll see you at last...  
I'll see you at last But my eyes they open slowly  
And look around the room  
The old man he seems worried  
And there ain't no sign of you...  
There ain't no sign of you Listen to your heart that beats  
And follow it with both your feet  
And as you walk and as you breathe  
You ain't no friend to me...  
You ain't no friend to me  
You can offer to the righteous  
All the good that you have won  
But down here among the unclean  
All your good just comes undone...  
Your good just comes undone The sisters at the borderline  
Oh, they're holding out their hands  
They're begging me for something, Lord  
Oh, but I don't understand...  
I don't understand So, it's adios to Alvero  
Tell him to stay between the lines  
And if he sees that Gabriella girl  
Tell her I'll look her up next time...  
Say I'll look her up next time Because the road to Ensenada  
Is plenty wide and fast  
And this time through Tijuana  
Well it won't be my last...

It won't be my last Listen to your heart that beats  
And follow it with both your feet  
And as you walk and as you breathe  
You ain't no friend to me  
You ain't no friend to me  
No you ain't no friend to me
