

Mad at You

Noah Cyrus & Gallant

[Intro: Noah Cyrus]

Mad, mad at you

Mad, mad at you

Mad, mad at you

Mad, mad at you [Verse 1: Noah Cyrus]

We need to talk, you just say, "I don't want to start a fight"
But the minute it gets to my lips, I can feel my tongue is tied
And my eyes start to water, but I can't stop you when you lie
Baby, we need to talk 'cause I think that it's time I walk away

Before you start calling my name

'Cause when you start begging me to stay

[Chorus: Noah Cyrus]

It's gonna be hard as hell

And baby, you know me well

No matter what you do

I can never be mad at you

And you only love yourself

For me, there's no one else

No matter what you do

I can never be mad, mad, mad at you

Mad, mad at you [Verse 2: Gallant]

Baby, you were the one who convinced me to run into your arms

Oh, but now that you got me, it's easy to want another love

Thinking that you'll find a better one

And I'll sit here waiting until you're done

[Chorus: Both]

It's gonna be hard as hell

And baby, you know me well

No matter what you do

I can never be mad at you

And you only love yourself

For me there's no one else

No matter what you do

I can never be mad, mad, mad at you

Mad, mad at you [Post-Chorus: Noah Cyrus & Gallant]

Mad, mad at you (yeah)

Mad, mad at you

Mad, mad at you

Mad, mad at you (oh-ah) [Bridge: Noah Cyrus, Gallant & Both]

Oh, you love me (want me)

You need me (need me)

And they say it's so easy to leave me

You had me right under your skin
But I let you in [Chorus: Noah Cyrus & Gallant]
It's gonna be hard as hell
And baby, you know me well
No matter what you do (do, babe)
I just can't be mad, mad, mad at you
And you only love yourself
For me there's no one else
No matter what you do (no matter what you do)
I can never be mad, mad, mad at you (I can never be mad)
You
Mad, mad at you
Mad, mad at you (you)
