

The Way That You Love Me

Jonathan McReynolds

I've seen rain, it's been dark
I've felt pain, got these scars
Sometimes, it's all I can remember
Where's the sun? Give me light
Got to be more to this life
I can't lie, it's been colder than December But when it comes to survival
There's only one friend that I know
That I can truly depend on, I know
The way that You love me
The way that You love me
Is everything I need
Don't ever let me go
The way that You told me
That You will always be
Everything I need
Don't ever let me go
Don't ever let me go (Don't ever, don't ever)
Don't ever let me go (Don't ever, don't ever)
The way that You love me
Don't ever let me go (Don't ever) Bound to break, lose my mind
Wanna scream, wanna cry
Help me Father, said I need You now more than ever, yeah
Cuz I'm contemplating, turning back
I feel like saying it's a wrap
But I can't handle all of that
So I surrender, Lord
Cuz when it comes to survival
You're the one friend that I know
That I can truly depend on, I know, I know The way that You love me
The way that You love me
Is everything I need
Don't ever let me go
The way that You told me
That You will always be
Everything I need
Don't ever let me go
Don't ever let me go (Don't ever, don't ever)
Don't ever let me go (Don't ever, don't ever)
The way that You love me
Don't ever let me go (Don't ever) See if you've been through what I've been through
You know exactly what God can do
See that's the reason I sing this tune

Don't ever let me go
See if you've been through what I've been through
You know exactly what God can do
See that's the reason I sing this tune
Don't ever let me go The way that You love me
The way that You love me
Is everything I need
Don't ever let me go
The way that You told me
That You will always be
Everything I need
Don't ever let me go (no no no)
Don't ever let me go (Don't ever, don't ever)
Don't ever let me go (Don't ever, don't ever)
The way that You love me
Don't ever let me go (Don't ever) I want You forever
I need You forever
Stay with me forever (Don't ever, don't ever, don't ever)
Truth is (Ooo I really need You)
Every hour (So don't ever) (Don't ever, don't ever, don't ever)
The way that You love me
Don't ever let me go
