

Angry Johnny

Poe

Johnny, angry Johnny
This is Jezebel in Hell I wanna kill you
I wanna blow you
Away
I wanna kill you
I wanna blow you
Away I can do it to you gently
I can do it with an animal's grace
I can do it with precision
I can do it with gourmet taste But either way
Either, either way
I wanna kill you
I wanna blow you
Away
I can do it to your mind
I can do it to your face
I can do it with integrity
I can do it with disgrace But either way
Either way
I wanna kill you
I wanna blow you
Away Johnny (Johnny)
Angry Johnny
This is (This is)
Jezebel in Hell
Johnny (Johnny)
Angry Johnny
This is (This is)
Jezebel in Hell
I can do it in a church
I can do it any time or place
I can do it like an angel
To quiet down your rage But either way
Either, oh, either way
I wanna kill you
I wanna blow you
Away I can do it in the water
I can do it on dry land
I can do it with instruments
I can do it with my own bare hands But either way
Either way, you know where it stands
I wanna kill you

I wanna blow you
Away Johnny (Johnny)
Angry Johnny
This is (This is)
Jezebel in Hell
Johnny, oh, my Johnny Where'd your pleasure go
When the pain came through you?
Where'd your happiness go?
This verse is running you around now
Getting you down now
Where's your pleasure now, Johnny?
Where has your pleasure gone now? Johnny (Johnny)
Angry Johnny
This is (This is)
Jezebel in Hell Johnny (Johnny)
Angry Johnny
This is (This is)
Jezebel in Hell Johnny
I wanna blow you
Oh, Johnny
Away Johnny
I wanna blow you
Johnny
Everybody here, it doesn't feel okay
Johnny
