Your Protector

Fleet Foxes

She left a week to roam Your protector's coming home Keep your secrets with you girl Safe from the outside worldYou walk along the stream Your head caught in a waking dream Your protector's coming home Coming homeAs you lay to die beside me, baby On the morning that you came Would you wait for me? The other one would wait for me As you lay to die beside me, baby On the morning that you came Would you wait for me? The other one would wait for meYou run with the devil You run with the devilTell your brother to be good Tell your sister not to go Tell your mother not to wait Tell your father I was good As you lay to die beside me, baby On the morning that you came Would you wait for me? The other one would wait for me (Ooh, ooh, ooh) (Ooh, ooh, ooh) (Ooh, ooh, ooh) (Ooh, ooh, ooh)
