## Dubdogz & Bhaskar

Oh, you know we are the Infinity  
Oh, you know we are the Infinity (If you wanna-)  
Oh, you know we are the Infinity Oh, you know we are the Infinity  
Oh, you know we are the Infinity  
Oh, you know we are the Infinity You know we are the Infinity  
Oh, you know we are the Infinity Don't know when it started and I don't know when it ends  
I feel so much pressure that I'm gonna get the bends  
And I'm rolling and controlling in your vicinity  
That's why everybody call me Mr. Infinity  
(If you wanna-)  
Oh, you know we are the Infinity  
Oh, you know we are the Infinity  
Oh, you know we are the Infinity  
Oh, you know we are the Infinity  
Ink (You know, you know...)  
Ink, Ink, Ink, Ink Oh, you know we are the Infinity  
Oh, you know we are the Infinity  
Oh, you know we are the Infinity  
Oh, you know we are the Infinity  
Oh, you know we are the Infinity  
Oh, you know we are the Infinity  
(Oh, you know, you know...) You know we are the Infinity  
Oh, you know we are the Infinity  
Ink  
Don't know when it started and I don't know when it ends  
I feel so much pressure that I'm gonna get the bends  
And I'm rolling and controlling in your vicinity  
That's why everybody call me Mr. Infinity (If you wanna-)  
Oh, you know we are the Infinity  
(And if you wanna see)  
Oh, you know we are the Infinity  
(If you wanna be)  
Oh, you know we are the Infinity  
(And if you wanna see)  
Oh, you know we are the Infinity Oh, you...  
Infinity, Infinity, Infinity, Infinity
