

# Somebody Someone

## Korn

I can't stand to let you win  
I'm just watching you  
And I don't know what to do Feeling like a fool inside  
Feeling all the loved you hide  
Thought you were my friend  
Seems it never ends I need somebody Someone  
Can't somebody help me?  
I don't need it to be  
Love, just for me  
Giving you with this and that  
Give and get nothing back  
It's all related to  
All the things I do Feeling like a fool inside  
Seeing all the things you tried  
I am nothing I need somebody Someone  
Can't somebody help me?  
I don't need it to be  
Love, just for me I look  
I sign  
I need someone  
Inside to help me out  
With what  
I'm trying  
I'm crying  
I'm prying  
In a pile of  
Shit  
I'm dying  
I'm dying  
I'm dying  
I need somebody  
(Someone)  
Somebody  
(Somebody)  
Someone  
I need somebody  
(Someone)  
Somebody  
(Somebody)  
Someone  
Someone
