

# U Get On My Nerves (with Ne-Yo)

Jazmine Sullivan

Hello?  
Ugh...  
Why are you calling my phone again?  
Look, I told you this was over  
I don't want to hear it  
Look, there's nothing you can say to change my mind  
No, I moved on  
What?1 (Ne-Yo):  
Well, I didn't call to have a convo,  
I just think I've might left some of my clothes over your house,  
A couple shirts and a hat,  
So if you didn't burn it, can I get it back?  
Now what is you yelling at me for?  
I don't give a damn if your with your new boo,  
You always tryna get loud  
That's why we not together now!  
Listen, I don't give a damn that you moved on,  
Cause anything I felt for you, been gone,  
I was done from the time that you busted my window. (My Window.)  
Every time that I think about missing you,  
I remember the stress that you put me through,  
The time I lost, how much it cost,  
So now I want you to know:(Ne-Yo):  
Oh, and I swear I don't know how we lasted that long,  
You get on my damn nerves,  
Damn nerves,  
Damn nerves,  
I'm glad we're not together now!  
And now I'm all right cause with you everything was all wrong.  
You get on my damn nerves,  
My damn nerves,  
My damn nerves,  
So glad we're not together now!(Jazmine):  
So glad we're not together now(Ne-Yo):  
So glad we're not together now(Jazmine):  
Oh oh oo oo, so glad we're not together now2 (Jazmine):  
I know why you called but it won't work,  
This ain't bout a watch or a T-shirt,  
But if that's what you wanna stick with,  
I can have your shit Fed Exed in the mornin'So I guess this is finished,  
I'll get someone to send it  
There should be no reason you should ever dial my digits.

You should never ever have to call me up pretending,  
Cause baby I know you're pretending! See I don't wanna fight cause there ain't the point,  
It's sad that you called just to hear my voice, You should have known I was done,  
When I busted your window! You won't say it, but I know that you need me back,  
And I'm glad I can sing I don't need you back!  
I did my part, you broke my heart,  
But I won't make the same mistakes again! Oh, and I swear I don't know how we lasted that  
long,  
You get on my damn nerves,  
My damn nerves,  
My damn nerves,  
I'm glad we're not together now! And now I'm all right cause with you everything was all wrong.  
You get on my damn nerves,  
My damn nerves,  
My damn nerves,  
So glad we're not together now! Bridge (Ne-Yo):  
I ain't gonna lie,  
I think about if we could try and make it work one more time,  
Could we do it? (Jazmine:)  
Could we do it again, babe? (Jazmine:)  
I'll admit it, it cross my mind,  
If it's something we can handle,  
Then, something clicks inside, (Both)  
I remember I can't stand you, (Jazmine)  
No, no! (Ne-Yo)  
Noo (Both)  
No, No.  
Oh no, no no no! (Ne-Yo):  
And I swear I don't know how we lasted that long,  
You get on my damn nerves,  
My damn nerves,  
My damn nerves,  
So glad we're not together now! (Jazmine:)  
And now I'm all right cause with you everything was all wrong.  
You get on my damn nerves,  
Damn nerves,  
Damn nerves,  
So glad we're not together now!
