

Two Rivers

Meat Puppets

Two rivers rolling by
Two waters side by side
Never touching, they remain
Two rivers never meet When they meet the waters change
Two waters, one name
River flows with many names
Water leading, water's aim Finding ways to change again
Finding yet another name
Water leading, water's aim
Two rivers side by side
Two waters side by side
Two rivers rolling by
Two waters side by side
Two rivers rolling by
