

Boom Boom Goes the Day

Sean Hayes

Days like today
try and plan they go their own way
Boom boom goes the day
hear the radio, TV, newspaper
Skyscraper on the pavement
Hey, hey, hey...Everyone says just a little word wrong
Everyone says just a little word wrong
you're in babylonBoom boom goes the day
hear the radio, TV, newspaper
Skyscraper on the pavement
Hey, hey, hey...
Everyone says just a little word wrong
Everyone says just a little word wrong
you're in babylon
This here babylon
Oh, babylon...
