

# U Never Know (feat. Andreyana Triana)

## Lapalux

When you come around, you come around  
You know that I'm waiting for ya  
Always bring me, you bring me down  
But you know that I care for ya, I care for ya  
I care for ya, I care for ya  
You know that.  
Even if I let you go,  
Even if I let you go  
Baby, then I'll never know  
Baby, then I'll never know  
Baby, even if I never know  
Even if I should go  
Baby, then I gotta know  
Baby, then I gotta know  
I don't think U ever know
