

Rare Candy

Blackbird Blackbird

I won't wait for the world to explode
to tell you how I feel.
So I'm taking this chance to
tell you how I feel.
It's something you already know
deep down inside.
So kiss me baby,
I don't wanna be alone anymore.
There's really nothing else that I want anymore.
You give me something that I've only seen in dreams.
Because,
every waking moment I'd spend waking up next to you.
