

# I'm New Here

Gil Scott-Heron

I did not become someone different  
That I did not want to be  
But I'm new here  
Will you show me around No matter how far wrong you've gone  
You can always turn around  
Met a woman in a bar  
Told her I was hard to get to know  
And near impossible to forget  
She said i had an ego on me  
The size of Texas  
Well I'm new here and I forget  
Does that mean big or small  
No matter how far wrong you've gone You can always tournaround  
And I'm shedding plates like a snake  
And it may be crazy but I'm  
the closest thing I have  
To a voice of reason  
Turnaround turnaround turnaround  
And you may come full circle  
and be new here again
