

# What I Meant to Say

## Daughtry

I woke up today sinkin' like the stones that you have thrown  
Wounded by the same ole shots you take  
It's easier to kick me when I'm low And I just thought that you should know  
That I've been holding on while you've been letting go  
Well, it's not too late to say it right this time  
'Cause I know I said I'm sorry but that's not what I meant to say I'm strong enough to say that I  
don't wanna take the high road now  
This is so typical of you to walk away  
When your perfect little world is burning down  
And I just thought that you should know  
That I've been holding on while you've been letting go  
Can I be so bold? 'Cause all this sucking up to you is just getting old  
Well, it's not too late to say it right this time  
'Cause I know I said I'm sorry but that's not what I meant to say What I really meant to say with  
every little breath I take  
I'm not the only one who makes mistakes  
Just think of all the ones you've made  
And I just thought that you should know  
That I've been holding on while you've been letting go  
Can I be so bold? 'Cause all this sucking up to you is just getting old  
Well, it's not too late to say it right this time  
'Cause I know I said I'm sorry but that's not what I meant to say  
Not what I meant to say Can I be so bold? 'Cause all this sucking up to you is just getting old  
Well, it's not too late to say it right this time  
'Cause I know I said I'm sorry but that's not what I meant to say
