

# I Cry

## Flo Rida

I know  
Caught up in the middle  
I cry just a little  
When I think of letting go  
Oh, no  
Gave up on the riddle  
I cry just a little  
When I think of letting go I know you wanna get behind the wheel, but only one Rida  
Eyes shut still got me swimming like a diver  
Can't let go, I got fans in Okinawa  
My heart to Japan quake losers and survivors  
Norway no you didn't get my flowers  
No way to sound better but the killer was a Croward  
Face just showers, the minute in a hour  
Heard about the news all day went sour  
Lil mama got me feeling like a limit here  
Put you in the box juste the presidents cigarettes  
Give em my regards or regardless I get arrested  
Ain't worried about the killers, just the young and restless  
Get mad 'cause the quarter million on my necklace  
DUI never said I was driving reckless  
You and I or jealousy was not oppressive  
Oh, no, I can't stop, I was destined  
I know Caught up in the middle  
I cry just a little  
When I think of letting go  
Oh, no Gave up on the riddle  
I cry just a little When I think of letting go  
Go, go, go I know Caught up in the middle  
I cry just a little  
When I think of letting go Oh, no Gave up on the riddle  
I cry just a little  
When I think of letting go  
Champagne buckets still got two tears in it  
And I put that on my tattoo of Jimi Hendrix  
Get depressed ought the outfit all in it  
'Cause the press tell it all get a meal ticket  
Clean next get a call just a lil visit  
Sacrifice just to make a hit still vivid  
Rihanna kiss you on ya neck just kill critics  
Buggati never when I'm rich, just God fearind  
Look at me steering, got the bossing staring

Mr mike caren, tell his Billir Jeans  
I'm on another planet  
Thank E-Class, Big Chuck or Lee Prince Perries  
Buy my momma chandeliers on my tears, dammit  
Thirty years you had thought these emotions vanish  
Tryna live, tryna figure how my sister vanish  
No cheers, I know you wouldn't panic

I know  
Caught up in the middle  
I cry just a little  
When I think of letting go  
Oh, no  
Gave up on the riddle  
I cry just a little  
When I think of letting go  
Go, go, go

I know  
Caught up in the middle  
I cry just a little  
When I think of letting go  
Oh, no  
Gave up on the riddle  
I cry just a little  
When I think of letting go

I know  
When I need a healing, I just look up to the ceiling  
I see the sun coming down I know it's all better now  
When I need a healing, I just look up to the ceiling  
I see the sun coming down I know it's all better now  
When I need a healing, I just look up to the ceiling  
I see the sun coming down I know it's all better now  
When I need a healing, I just look up to the ceiling  
I see the sun coming down I know it's all better now

I know, I know, I know  
I-I-I, I think of letting go  
Go, go, go  
I know  
Caught up in the middle  
I cry just a little  
When I think of letting go  
Oh, no  
Gave up on the riddle  
I cry just a little  
When I think of letting go  
I know  
Caught up in the middle  
I cry just a little  
When I think of letting go  
Oh, no

Gave up on the riddle  
I cry just a little  
When I think of letting go
