

# Opportunities (Let's Make Lots of Money)

## Pet Shop Boys

I've got the brains  
You've got the looks  
Let's make lots of money  
You've got the brawn  
I've got the brains  
Let's make lots of...I've had enough of scheming  
and messing around with jerks  
My car is parked outside  
I'm afraid it doesn't work  
I'm looking for a partner  
someone who gets things fixed  
Ask yourself this question  
Do you want to be rich?  
I've got the brains  
You've got the looks  
Let's make lots of money  
You've got the brawn  
I've got the brains  
Let's make lots of money You can tell I'm educated  
I studied at the Sorbonne  
Doctored in mathematics  
I could have been a don  
I can program a computer  
choose the perfect time  
If you've got the inclination  
I have got the crime  
Oh, there's a lot of opportunities  
if you know when to take them  
You know there's a lot of opportunities  
if there aren't, you can make them  
(Make or break them) I've got the brains  
You've got the looks  
Let's make lots of money  
Let's make lots of...  
money You can see I'm single-minded  
I know what I could be  
How'd you feel about it?  
Come and take a walk with me  
I'm looking for a partner  
regardless of expense  
Think about it seriously  
You know it makes sense Let's (Got the brains)

make (Got the looks)  
Let's make lots of money (Oohh money)  
(Let's) You've got the brawn  
(make) I've got the brains  
Let's make lots of money (Oohh money)  
I've got the brains (Got the brains)  
You've got the looks (Got the looks)  
Let's make lots of money (Oohh money)  
Money All the love that we had  
and the love that we hide  
Who will bury us  
when we die?
