### Mushroom Head - Flattened

An Early Incarnation, Of A Bad Day I Got Up On The Wrong Side  
Again The First Hours Crawl Emotional Starvation, We Throw The  
Words Away Don't Wanna Swallow My Pride Again The Worst Waste Of  
All I Think I've Found My Way In, I Found My Way Out For Every  
time That You Live Your Life To Please There's Always That Trace  
Of Doubt An Early Incarnation, An Early Incarnation Of A Bad Day,  
Of A Bad Day I Got Up On The Wrong Side Again I Got Up On The  
Wrong Side Again The Worst Waste Of All The First Hours Crawl If  
I Could Only Erase, This Failure In My Head One Day If I Could  
Just Face Up To This Put The Past To Rest Live Your Life To  
Please Live Your Life To Please Live Your Life To Please There's  
Always That Trace Of Doubt An Early Incarnation Of A Bad Day I  
Got Up On The Wrong Side Again The First Hours Crawl The First  
Hours Crawl.
