

Some Kind of Nature (feat. Lou Reed)

Gorillaz

Some kind of nature
Some kind of soul
Some kind of mixture
Some kind of gold
Some kind of majesty
Some chemical loadSome kind of metal
Made up from glue
Some kind of plastic
I could wrap around youThe needy eat mayonnaise
They wear phony clothes
They sit with our picture
Up until they grow old
Some kind of nature
Some kind of soul
Some kind of mixture
Some kind of gold
Some kind of majesty
Some chemical loadWell, me, I like plastics
And digital foils
Could wrap up the sun
And protect the girlsFrom the spiritual poisons
You spill at night
Like phony clothes but
I really like my
Some kind of nature
Some kind of nature
Some kind of soul
Comes from within us
Oh Lord, forgive meSome kind of mixture
Some kind of gold
It's got to come and find us
All we are is dustSome kind of metal
Made up from glue
Some kind of plastic
I could wrap around youThe needy eat mayonnaise
They wear phony clothes
They sit with our picture
Up until they grow oldSome kind of nature
Some kind of nature
Some kind of soul
Comes from one within us
Oh Lord, forgive meSome kind of mixture

Some kind of gold
It's got to come and find us
All we are is dust
