

# Same Girl (feat. French Montana)

## Jennifer Lopez

My head's killin' me, I'm losin' sleep  
And I'm wakin' up tired of it all  
Early in the mornin' and it's startin' already  
Why my name always involved? I'm tryna get rid of the baggage  
Fake friends, I call them "has-been"  
Yeah they lyin' on stuff  
And it's okay if they don't show me love, no They want me to lie down  
They want me to crawl  
They want me to cry now  
But I'm never fallin' off Why you tryna put the world up on my shoulders?  
Get off of me, get off of me  
Too damn grown, I don't owe nobody  
Get off of me, get off of me  
Why you tryna put the world up on my shoulders?  
Get off of me, get off of me  
Too damn grown, I don't owe nobody  
Get off of me, get off of me 'Cause in the end I'm still the same girl (same girl)  
Same girl (same girl)  
Same girl (same girl) I'm just the same girl (same girl)  
Same girl (same girl)  
Same girl (same girl) Tell me what I gotta do  
I'm tryna make it clear to you  
Not dealing with the attitude  
I'm tired of tryna make you see that I'm still me Switched up my longitude and latitude  
You're in my way, you better move  
'Cause I'm on the same ride, know I'll never change  
I'm lovin' every day, I know that I'm the same Jenny from around the way 'round  
They want me to lie down  
They want me to crawl  
They want me to cry now  
But I'm never fallin' off Why you tryna put the world up on my shoulders?  
Get off of me, get off of me  
Too damn grown, I don't owe nobody  
Get off of me, get off of me Why you tryna put the world up on my shoulders?  
Get off of me, get off of me  
Too damn grown, I don't owe nobody  
Get off of me, get off of me 'Cause in the end I'm still the same girl (same girl)  
Same girl (same girl)  
Same girl (same girl) I'm just the same girl (same girl)  
Same girl (same girl)  
Same girl (same girl) I'ma keep on goin', keep on shinin'  
Just wanna do me

I have to thank God 'cause he chose me  
I'm still the same girl Why you tryna put the world up on my shoulders?  
Get off of me, get off of me  
Too damn grown, I don't owe nobody (yeah)  
Get off of me, get off of me Why you tryna put the world up on my shoulders? (world on my)  
Get off of me, get off of me (off of me)  
Too damn grown, I don't owe nobody (I don't owe nobody)  
Get off of me, get off of me
