

# Doesn't Really Matter

Janet Jackson

Doesn't matter what your friends are telling you  
Doesn't matter what my family's saying too  
It just matters that I'm in love with you  
It only matters that you love me too  
It doesn't matter if they won't accept you  
I'm accepting of you and the things you do  
Just as long as it's you  
Nobody but you, baby, baby  
My love for you, unconditional love too  
Gotta get up, get up  
Get up, get up, get up and show you that it  
Doesn't really matter what the eye is seeing  
'Cause I'm in love with the inner being  
And it doesn't really matter what they believe  
What matters to me is you're in love with me  
Doesn't really matter what the eye is seeing  
'Cause I'm in love with the inner being  
And it doesn't really matter what they believe  
What matters to me is you're nutty-nutty-nutty for me  
You're so kind  
Just what I asked for, you're so loving and kind  
And you're mine  
And I can't believe you're mine  
Doesn't matter if you're feeling insecure  
Doesn't matter if you're feeling so unsure  
'Cause I'll take away the doubt within your heart  
And show that my love will never hurt or harm  
Doesn't matter what the pain we go through  
Doesn't matter if the money's gone too  
Just as long as I'm with you  
Nobody but you, baby, baby  
You're love for me, unconditional I see  
Gotta get up, get up  
Get up, get up, get up and show you that it  
EDIT(Dance Break)  
Doesn't really matter what the eye is seeing  
'Cause I'm in love with the inner being  
And it doesn't really matter what they believe  
What matters to me is you're in love with me  
Doesn't really matter what the eye is seeing  
'Cause I'm in love with the inner being  
And it doesn't really matter what they believe  
What matters to me is you're nutty-nutty-nutty for me  
You're so kind  
Just what I asked for, you're so loving and kind  
And you're mine  
And I can't believe you're mine  
Rock mix  
'Cause now I'm gonna love you  
'Cause my love will always  
My love for you unconditional love too  
Gotta get up, get up

Get up, get up, get up and show you that My love is true, and it's just for you, uh

Nutty-nutty-nutty my love for you

I can't believe my dreams come true

I've finally found somebody whose heart is true

And best of all you're nutty-nutty-nutty for me

Whoa, whoa, whoa

Whoa, whoa, whoa

Whoa, whoa, whoa

Nutty-nutty-nutty my love for you

I can't believe my dreams come true

I've finally found somebody whose heart is true

And best of all you love me too

Nutty-nutty-nutty my love for you

I can't believe my dreams come true

I've finally found somebody whose heart is true

And best of all you're nutty-nutty-nutty for me
