Sun's up we wait All day Sun's up we wait All day all dayThe hell outside kept away If only we could move away From hereThis is how We build a place An aviary for today An aviary for todayLet's disappear till tomorrow Let's disappear till tomorrow Dis-a-ppe-ar dis-a-ppe-ar dis-a-ppe-ar ar ar ar Blow up these play parades Let's go To an aviary far from home To an aviary far from homeA one hand clap is me and you And you and you and you While the hell outside kept away If only we moved awayDis-a-ppe-ar Dis-a-ppe-ar Dis-a-ppe-ar ar ar arLast vacation was the same We got moved away Last vacation was the same We got moved away Last vacation was the same We got moved away Sun down now we have built Our place An aviary forever An aviary forever Forever forever Re-a-ppe-ar Re-a-ppe-ar Re-a-ppe-ar
