

# Nine Is God

## Wavves

A bullet in his head finally  
Picking through the lead  
Who knows?  
Anxiety  
So one more in his eye  
And now I can breathe  
Just push him off the ledgeOne is nine  
Nine is two  
Holy God and holy truth  
Nine is God  
Nine to come  
Nine to breathe inside your lungs  
One is nine  
Nine is two  
Holy God and holy youth  
Nine is God  
Nine to come  
Nine to feel  
A bullet in my head finally  
Picking through the lead  
Who knew?  
There's a side of me  
So one more in my eye  
And now I can see  
Just push me off the ledgeOne is nine  
Nine is two  
Holy God and holy truth  
Nine is God  
Nine to come  
Nine to breathe inside your lungs  
One is none  
Nine is two  
Holy God and holy youth  
Nine is God  
Nine to come  
Nine to breathe inside your lungsYour lungs  
Your lungs  
Your lungs  
Your lungs  
Your lungs  
Your lungs

Your lungs  
Your lungs  
Your lungs  
Your lungs  
Your lungs
