

# Stand In the Rain

## Superchick

She never slows down.  
She doesn't know why  
but she knows that when she's all alone,  
feels like its all coming down  
She won't turn around  
The shadows are long and she fears if she cries that first tear,  
the tears will not stop raining down So stand in the rain  
Stand your ground  
Stand up when it's all crashing down  
You stand through the pain  
You won't drown  
And one day, whats lost can be found  
You stand in the rain  
She won't make a sound  
Alone in this fight with herself  
and the fears whispering if she stands she'll fall down  
She wants to be found  
The only way out is through everything she's running from  
wants to give up and lie down. So stand in the rain  
Stand your ground  
Stand up when it's all crashing down  
You stand through the pain  
You won't drown  
And one day, whats lost can be found  
You stand in the rain So stand in the rain  
Stand your ground  
Stand up when it's all crashing down  
Stand through the pain  
You won't drown  
And one day, whats lost can be back  
So stand in the rain  
Stand your ground  
Stand up when it's all crashing down  
You stand through the pain  
You won't drown  
And one day, whats lost can be found  
You stand in the rain
