Where You Are

Leeland

I can't get enough
No I can't get enough
Of Your amazing love
I can't get enoughI can't walk away
No I can't walk away
From where I've seen Your face
And I can't walk awayAnd I just wanna be where You are
I just wanna be near Your heart
There is nothing like Your love
There is nothing like Your loveJesus I love You
With all the angels singing
Holy, Holy, Holy, Holy, Holy, Holy
Jesus I love You
