

Hey Jude

Wilson Pickett

Hey Jude, don't make it bad, take a sad song and make it better
Remember to let her in your heart then you can start to make it better
Hey Jude, don't be afraid,
you were made, made to go out and get her
The minute you let her under your skin, then you'll begin to make it better
Any time you feel the pain, Hey Jude, refrain, don't carry the world upon
Your shoulder, for you know that it's a fool who plays it cool by makin'
The world, a little bit colder
Hey Jude, don't let me down, you found her, now go on out and get
her
But remember, to let her in your heart, then you can start to make it better
So let it out and let it in, Hey Jude, begin, you waited for someone to perform with
And don't you know that it's just you, Hey Jude, you do, the movements you need is
On your shoulder
Hey Jude, don't make it bad, take a sad song and make it better, just remember
To let her under your skin, then you'll begin to make it better
Ow! Ow! Hey Jude! Ow! Hey, Hey! Yeah! It's gonna be alright!
Hey, Jude, Jude, you'll be alright, Hey Hey Hey Hey
You'll be alright Jude, Heeey, Heeey, Heeey, It's got-ta, it's got-ta, it's got-ta
Yeah, Hey Jude! (Na, na, na, na, na, na, na, na, na, na, na, na, Hey Hey Jude
