

Look into My Eyes

brando

Look into my eyes
Can you see they're open wide
Would I lie to you? Would I lie to you? Don't you know it's true?
There's no one else but you
Would I lie to you? Would I lie to you, babe? It's hard for me to demonstrate
That I'm at work when I stay up late
Club girls call, wanna serenade
So I'll bowl ball just to feel the need Time, there ain't no plan
I'm just a man
And I'll always want you
It's hard for me to love you like I do
When I'm always on the road
Baby you should know
It's hard for me to love you just to prove
I ain't jealous when you go, ohh Look into my eyes
Can you see they're open wide
Would I lie to you? Would I lie to you, babe?
Don't you know it's true?
There's no one else but you
Would I lie to you, babe? Would I lie to you, babe? Back of the car, you start to jump on me
Like Heaven you are just fightin' to know me
And I, I fell in love again
And I ain't lookin' for a friend
It's hard for me to love you like I do
When I'm always on the road
Baby you should know
It's hard for me to love you just to prove
I ain't jealous when you go, ohh Look into my eyes
Can you see they're open wide
Would I lie to you? Would I lie to you, babe?
Don't you know it's true?
There's no one else but you
Would I lie to you, babe? Would I lie to you, babe? Look into my eyes
Can you see they're open wide
Would I lie to you? Would I lie to you, babe?
Don't you know it's true?
There's no one else but you
Would I lie to you, babe? Would I lie to you, babe? Look into my eyes
Can you see they're open wide
Would I lie to you? Would I lie to you, babe?
Don't you know it's true?
There's no one else but you

Would I lie to you, babe? Would I lie to you, babe?
