

# Rivers Are for Boats

Albert Hammond

Rivers are for boats to take us sailing  
One day we will  
Mountains are for trails to take us riding  
One day we will  
Dreams come true  
I promise if you have the patience  
Yours will not be denied  
Everything you do without  
The things you have to dream about  
Just need a little time  
And time is on your side  
Valleys are for land to build a home on  
One day we will  
Meadows are for grass to walk a child on  
One day we will  
Dreams come true  
I promise if you have the patience  
Yours will not be denied  
Everything you have to share  
Your wishes and your hopes and prayers  
Just need a little time  
And time is on your side  
Rivers are for boats to take us sailing  
One day we will  
Mountains are for trails to take us riding  
One day we will  
Ooh, valleys are for land to build a home on  
One day we will  
Meadows are for grass to walk a child on  
One day we will
