In the club off candy bars

You a fan of me?

I'm a fan of you (fan of you)

Celebrate bitch woopdy doo

Im on the ocean and im potent

I got pocket full of golden tokens

Quit wishin and hopin

Grab that ship by the wheel, goin in

Timbol in your backyard

Got the girls for you, got me ever hard

And I party party real hard

Love when they start to give a shit all

And you say you don't do shit

And you love when the bass hit

And you love when the bass hit

Boom boom boom, chicky chicky

you like the way i work it (work it)

push up on it but don't hurt it (hurt it)

you like the way i work it (work it)

push up on it but don't hurt it (hurt it)

Be cool, be easy

Baby just don't tease me

Be cool, be easy

Just please me

Be cool, be easy

Baby just don't tease me

Be cool, be easy

Just please me

Sippin' on sippin' on sippin' on vino

E'rybody get more drunk kilo

What they call that?

C note

Let's spend that, on a d-low

Hit the mall, nah
Let's find a cliff we can jump off
You afraid of heights
Let me know we can take that flight
Baby like a kitty cat
All proud, tight line
Where your hips at?
I know you can come
Built like that
This the underground world
Dev to my right, im right here
They love it when we drop that
Boom boom boom,
Give it to 'em now
you like the way i work it (work it)
push up on it but don't hurt it (hurt it)
you like the way i work it (work it)
push up on it but don't hurt it (hurt it)
Be cool, be easy
Baby just don't tease me
Be cool, be easy
Just please me
Be cool, be easy
Baby just don't tease me
Be cool, be easy
Just please me
Don't don't hurt it, don't don't don't hurt it
If you want to serve it
You have got to work it baby
Don't don't hurt it, don't don't don't hurt it
If you want to serve it
You have got to work it baby
Be cool, be easy
Baby just don't tease me
Be cool, be easy
Just please me
Be cool, be easy
Baby just don't tease me
Be cool, be easy
Just please me
You like the way i (way i, way i)
