

Missed a Spot

Dinah Jane

I know I'm in your head
When you're not in my bed
Miss the shake in my thighs
When you're lonely
Only you get it right
That's why you get it twice
I don't have to be nice
When you hold me But something in the air
And baby, I know what you're after
It's all in the details
And every inch on me matters
I know you love it when you go down under
Rain flowin' yeah, we makin' thunder
Find me shelter underneath these covers
I'ma lay 'til the endless summer
I know you love it when you go down under
I'll be moving for you like no other
So much body for your lips to discover
I'ma lay to the endless summer Mmmm, go back, go back
I hate to be like that, but
Mmmm, go back, go back
I think you missed a spot
Mmmm, go back, go back (Go back, back)
I hate to be like that but
Mmmm, go back, go back
I think you missed a spot
You wanna hit it
Wanna hear me hit a high note
I let you rub it, touch it, lick up on this, I know
Ooh, run that back
This tropical nani got you running back
Bounce that ass in your face
While I ride your wave
Baby, you just hit the lottery
Ms. Jane on your lips, baby You know there's something in the air
And baby I know what you're after
It's all in the details
And every inch on me matters I know you love it when you go down under
Rain flowin' yeah, we makin' thunder
Find me shelter underneath these covers
I'ma lay here till the end of summer
I know you love it when you go down under

I'll be moving for you like no other
So much body for your lips to discover
I'ma lay here till the end of summerMmmm, go back, go back (Go back)
I hate to be like that but
Mmmm, go back, go back (Go back, back, back)
I think you missed a spot
Mmmm, go back, go back
I hate to be like that but
Mmmm, go back, go back
I think you missed a spotI know you love it when you go down under
Rain flowin', yeah, we makin' thunder
Find me shelter underneath these covers
I'ma lay 'til the endless summer
I know you love it when you go down under
I'll be moving for you like no other
So much body for your lips to discover
I'ma lay here 'til the end of summerMmmm, go back, go back
I hate to be like that but
Mmmm, go back, go back
I think you missed a spot
Mmmm, go back, go back
I hate to be like that but
Mmmm, go back, go back
I think you missed a spot
