

# Oh, It Is Love

## Hellogoodbye

Oh, it is love  
From the first time I set my eyes up on yours  
Thinking oh, is it love? Oh dear  
It's been hardly a moment  
And you are already missed  
There is still a bit of your skin  
That I've yet to have kissed  
Oh say please do not go  
But you know you know that I must  
Oh say I love you so  
But you know you know you can trust  
We'll be holding hands once again  
All our broken plans I will mend  
I will hold you tight so you know  
It is love from the first  
Time I pressed my hand into yours  
Thinking Oh is it love?  
Oh dear, it's been hardly three days  
And I'm longing to feel your embrace  
There are several days  
Until I can see your sweet face  
Oh say Wouldn't you like to be older and married with me  
Oh say wouldn't it be nice to know right now that we'll be  
Someday holding hands in the end  
All our broken plans will have been  
I will kiss you soft so you know  
It is love from the first  
Time I pressed my lips against yours  
Thinking Oh is it love?  
Ohhh  
Your heart may long for love that is more near  
So when I'm gone these words will be here  
To ease every fear  
And dry up every tear  
And make it very clear  
I kiss you and I know  
It is love from the first  
Time I pressed my lips against yours  
Thinking Oh is it love? Oh it is love from the first  
Time I pressed my lips against yours  
Thinking Oh is it love? Oh I kiss you and I know  
It is love from the first

Time I pressed my lips against yours  
Thinking Oh is it love?
