

Can't Stop the World

Gavin Rossdale

How far will you go?
How deep is your love?
Your body's bruised and on fire
Can't stop the world
Can't stop desire
but I can't turn around
but I can't turn aroundSome days I can see the future
Some days you seem so far
I don't know what I was thinking
I've been gone too long
I've been gone too long
Don't fall to pieces
Don't give up
or get down
Keep your eyes on the road
Can't stop the world
Can't stop the phones
but I can't turn around
But I can't turn aroundSome days I can see the future
Some days you seem so far
I don't know what I was thinking
I've been gone too longSome days I can see the future
Some days you seem so far
I don't know what I was thinking
I've been gone too long
I've been gone...
The strange life
So random yet
Its only you
I understand
What can I do to get to you?
ohhh
What can I do to get through to you?How far will you go?
How deep is your love?
Your body's so bruised and on fire
Can't stop the world
Can't stop desireSome days I can see the future
Some days you seem so far
I don't know what I was thinking
I've been gone too longSome days I can see the future
Some days you seem so far
I don't know what I was thinking

I've been gone to long
I've been gone to long
I've been gone to long
