

Malibu

Miley Cyrus

I never came to the beach, or stood by the ocean
I never sat by the shore, under the sun with my feet in the sand
 But you brought me here
 And I'm happy that you did
 'Cause now I'm as free
 As birds catching the wind
I always thought I would sink, so I never swam
I never went boatin', don't get how they are floatin'
And sometimes I get so scared of what I can't understand But here I am, next to you
 The sky's more blue in Malibu
 Next to you in Malibu
 Next to you
We watched the sun go down as we were walking
I'd spent the rest of my life standing here talking
 You would explain the current, as I just smile
Hoping that you'll stay the same, and nothing will change
 And it'll be us, just for a while
 Do we even exist?
That's when I make the wish, to swim away with the fish
 Is it supposed to be this hot all summer long?
I never would've believed you if three years ago you told me
 I'd be here writing this song But here I am, next to you
 The sky's so blue in Malibu
 Next to you in Malibu
 Next to you
 Next to you
 The sky's so blue in Malibu
 Next to you
We are just like the waves that flow back and forth
 Sometimes I feel like I'm drowning
 And you're there to save me
And I wanna thank you with all of my heart
 It's a brand new start
 A dream come true
 In Malibu
